FOR IMMEDIATE RELEASE

CLUB SPORTIVA ANNOUNCES 3RD BAY AREA LOCATION IN SAN JOSE

Opening in Club Auto Sport; 120,000 square ft. Showroom and Clubhouse

June 5, 2009 – San Jose, CA – Club Sportiva, one of the nation’s largest Exotic Car Timeshare companies, announced their 3rd Bay Area Location at Club Auto Sport (<http://www.clubautosport.net>), a unique commercial condominium car facility and club, purpose-built for racing and car enthusiasts. Complete with a luxury car showroom, full-time concierge service, bar, and gym, Club Auto Sport is conveniently located inside San Jose’s Golden Triangle.

Members that attended the June 6th opening were treated to demo rides in the new LC470 Lister, a barely street legal car capable of accelerating from 0-60mph in 3.4 seconds. The LC470 was entered in “La Carrera Panamerica 2008,” dubbed “The world’s most brutal road race,” and took 1st in its class and 6th overall. The roar from the Lister could be heard from blocks away, and turned plenty of heads along the way.

Besides the allure of Exotic cars and roaring engines, guests were entertained by world class entertainment from Opera Singer Rebecca Krouner. Rebecca’s performance impressed everyone in the audience with her powerful voice and her incredible multilingual flair. Singing in German, Italian, and English, Rebecca focused on the international aspect of Club Sportiva’s stable of Exotics, and impressed everyone with her power and grace.

Club Sportiva’s fleet of Exotics was on display for the Grand Opening Celebration as well, including the Ferrari F430, Lamborghini Gallardo Spyder, Lotus Elise, and the Audi R8 to name a few. To close the event, Owner Rick Gaan unveiled the newest addition to the car collection; a 427 Cobra. Any members who were craving more “muscle” in the club were quickly satiated as the Cobra revved its engines from underneath the veil that covered it from view, blowing the veil clean off as it roared to the middle of the showroom. Founded in 2002, Club Sportiva is the Nation’s oldest, and Northern California’s only, Luxury Vehicle Share Club, offering Luxury vehicle fractional share membership and luxury vehicle rentals. In addition Club Sportiva unveiled their new Exotic Car Experience, where participants can drive six different Exotics in an outing.
